

AGELESS

total overnight retinol masque

product

Reveal new radiance with this concentrated overnight retinol masque, formulated with water bank technology to continually release hydration and lock in nutrients for the ultimate beauty sleep. Paraben free.

skin type

Normal, aging, pigmented skin types.

benefits

Triple action KemSpheres create a thin film to ensure optimal coverage and controlled penetration, reduce TEWL thus opening pathways for active penetration and offer a time-released action of retinol. This increases firmness, reduces the appearance of fine lines and wrinkles and improves skin imperfections.

directions

Apply masque in a thick layer, even layer to freshly cleansed skin 2-3 times per week. Leave on overnight and cleanse skin with tepid water the following morning.

pro tip

May be used once or twice a week for acne or breakout prone skin

key ingredients

KemSpheres™ Retinol	Unique delivery system allows pure retinol to be easily absorbed into the skin in a stable form, resulting in less irritation and superior results
Water Bank Technology	Microspheres of marine collagen and GAGS lock in water and release hydration into skin in a continuous fashion.
Fiber Booster Plus Citrus (Medica limonum leaf cell extract)	Stimulates fibroblasts, supports the matrix of the skin. Decreases enzyme responsible for collagen breakdown. Protects epidermal cells against free radicals
Senestem™ (Plantago Lanceolata Leaf Extract)	Targets microRNA's to prevent the degradation of protein synthesis. Assists in controlling inflammation, oxidative stress and lightening pigmentation spots. Brightens, firms and improves skin density
Syn Coll (Palmitoyl tripeptide-5)	Significant anti-wrinkle effect, stimulates collagen synthesis, provides collagen protection from degrading enzymes
SoluMoist (Tamarindus Indica Seed Polysaccharide)	Smooths skin texture, hydrates and reduces the appearance of wrinkles
