

I PEEL

perfection lift™ peel

product

This distinct blend of exfoliating agents, 5% lactic acid, 5% salicylic acid and 5% resorcinol, work synergistically to visibly reduce the appearance of fine lines, correct uneven skin tone, smooth rough texture and reduce acne blemishes.

skin type

Advanced aging, pigmentation, acne

benefits

This self-neutralizing next generation blend of advanced exfoliating and revitalizing ingredients helps to rejuvenate and helps to repair moderate to severe acne, aging and pigmentation concerns.
