

# AGELESS

total eye lift crème

## product

This luxurious lifting eye crème resurfaces and visibly reduces the appearance of fine lines. The retinyl (retinol-derivative) glycolic blend tightens the skin, while chamomile, green tea and coneflower soothe tired and dehydrated eyes. Reveals "Ageless Eyes" in just a few applications. Peptide blend reduces inflammatory processes. Contains potent antioxidants. Paraben free.

## skin type

Aging, fine lines/wrinkles, lax eyelid skin, dark circles.

## benefits

This exclusive polypeptide blend reduces the inflammatory process while resurfacing and visibly reducing the appearance of fine lines and dark circles. Improves firmness of skin, decreases capillary permeability and increases lymphatic circulation, while decreasing puffy bags under the eye.

## directions

Apply nightly to eye area.
