

I L U M A™

intense brightening exfoliating powder

product

A uniquely luxurious polishing powder that gently cleanses and exfoliates all skin types. This ultrasoft micro-exfoliating blend removes debris and oil from pores while providing long-term hydration and anti-aging benefits. Contains a new generation of natural botanicals, enzymes and antioxidants to help skin reach a new level of radiance. Paraben free.

skin type

All skin types, loss of radiance, dull skin.

benefits

Gentle enough for daily use and perfect for all skin types this micro exfoliating powder combined with botanical brighteners, buffs away dead skin cells leaving skin smooth, illuminated and ready to absorb active ingredients in serums and repair crèmes.

directions

Shake a small amount into wet palms and activate by rubbing hands together to form a light foam. Gently massage into skin avoiding eye area and rinse thoroughly. Use twice daily, morning and evening, on face and body.

key ingredients

Coconut milk powder	Rich in protein and vitamins aids in cell regeneration
Pumpkin enzyme	Gently exfoliates dead skin cells and impurities while delivering vitamins and nutrients to the skin.
Protein peptide complex (whey protein, lactic acid, lactose)	Aids in cell regeneration correction of uneven skin tone
Net-DG (licorice extract)	Natural skin lightener
Camellia sinensis (green tea) leaf extract	Antioxidant and anti-inflammatory
ET-VC (ethyl ascorbic acid)	Water soluble, stabilized form of Vitamin C, increased penetration into skin with enhanced antioxidant capacity, decreases dark spots
